Global Watch Weekly Report

Welcome to the Global Watch Weekly Report

Dear Member

Since we launched Mary, Fatima and the Immaculate Heart at

<http://www.fatimarevelations.com>

We have had a flurry of emails from members with differing viewpoints on the subject of Marian Apparitions.

So we have decided to compile some of them in this weeks edition of the Global Watch Weekly. We are careful about privacy so people's names have been removed and we provide the emails (please ignore any misspellings as we haven't edited the emails).

Its clear this is one of the most controversial subject areas judging by the reaction of members and the varied opinion involved.

As stated there are areas of concern both within Catholicism as well as the Protestant community so we are simply identifying areas of concern without prejudice.

We also appreciate those Catholics on our membership who are not offended and still enjoy our materials even though they may not be in agreement with all the conclusions we may come to.

So hope you enjoy.

I HONESTLY BELIEVE OUR LADY IS MAKING THESE APPEARANCES FOR THE BENEFIT OF MANKIND. I have been to Medjugorje in former

Yugoslavia and was lucky to see the large cross atop of the highest mountain light up three times. I never wanted to leave there because it was so peaceful. Her appearances are NOT demonic ones. I pray the Rosary and it is a powerful prayer to keep evil away and get graces Our Lady can give through her Son, Our Lord. She leads us to her Son! God bless you!

EMAIL 2

As a catholic, I do believe in Mary's appearances. In many of her messages, she clearly point to her Son Jesus and exhorts us to follow Him. There are many documented miracles through out the centuries that have to do with either Mary's appearance or miracles even related to paintings depicting Mary. I admit the devil can do counter fit miracles, some of these are, I believe genuine. And I am not one of those offended. I do appreciate your efforts to shed light on these perilous times.

Curious stuff you present. However there is another account of the deceased making a plea, not from Paradise but from some place in Sheol. The account of the Rich Man and Lazarus. (Jesus tells the story) - The Rich Man, on the wrong side of the 'gap' that can't be crossed makes a request to Abraham. (God is the God of the living...Check out 2 Esdrus Chapter 7 beginning at verse 76 through 101.) from the Apocrypha. Remember when you believe, at that moment you cross over from death to life. The first resurrection. My spirit is telling me that our soul is quite conscious in the place of rest, called

Paradise. The place where the saved await the Judgement and the resurrection into the New body prepared for those that 'believe'. The other souls of the lost, after leaving their body pass by 'Paradise' and get a full idea of what they will now miss. Read 2 Esdrus, compare with the Rich Man and Lazarus. There is something to this. I'm very suspect of the Mary visitations as being from God at this point.

EMAIL 3

I believe that these are the false miracles OF SATAN-ASSOCIATED WITH THE VATICAN & CATHOLIC CHURCH THAT IS apostate?????

However- I think some Spirit Filled Catholics may make it because they take care of the Fatherless 7 Widows- while the Rest of the Church DO NOT- it's the Essence of the TORAH MITZVOT that Reb Yahshua taught!

EMAIL 4

Kerry, Yes, as a former Roman Catholic I know it all too well, yet You're deceived if you believe this following sentence you've written my emphasis added:-

This meaning that unlike believers who die in the faith and whose spirits rest in Paradise until the resurrection, that Mary bypassed this step and is now in heaven in a physical body just like Jesus. Such a belief would obviously make the Marian apparitions even more justifiable since it could be explained that she is not in Paradise but already in a resurrected state (even more advanced than Samuel). I can only conclude your doing it deliberately, your choice, but keep it to yourself, don't be responsible for others being caught in this great deception, eclectic behaviour I think it's called! see ya

It is the best day in life to read about OUR VIRGIN MARY.....I am CHRISTIAN.....EGYPTIAN.....FIRST IN AUSTRALIA.....I request to mention to you very important APPREANCE OF OUR VIRGIN MARY IN EGYPT MANY TIMES.....BUT THE MOST IMPORTANT THIS :

PRESIDENT NASER HEARD ABOUT THE APPEARANCE OF OUR VIRGIN MARY.....and he does not believe.....He decided to see that him self without telling any one.....He took his car and drove to ZAYTOON CHRUCH in CAIRO.....NEXT TO IT WAS THE PULPIC GARAGE OF THE GOVENMENT.....

it was at mid night..... He went up to the roof.....: SUDDENTLY HE SAW OUR VIRGIN MARY INFORM HIM.....

He shouted I believe.....and on return following day ordered this garage to be built on the government account as church next to the old church near the tea where OUR LORD HAD REST IN HIS WAY IN EGYPT.....

SO THE NEXT CHRUCH NEW TO THE OLD ONE BUILT BUILT by the ORDER OF PRESIDENT NASER.....GOVERNMENT MONEY. REGARDS...I PRAY TO OUR LORD TO BE WITH YOU AND US.

Good day, Kerry; I think you're doing a great job; the Catholics may take offense because you've pointed out the heresy of Mary worshipping and the so-called apparitions, but don't allow them to derail you.

May I however be so forward and point out a typing error in your message; I deleted some lines for space and wish to draw your attention to the words highlighted in yellow: I'm sure you wanted to say "there is no greater course than

truth...".

The Word Programmes sometimes have the audacity to complete a word before one has finished typing it, and if it is a legitimate word, the Spell Checker will not recognize it as being a mistake. Keep up the good work, and be blessed in the Name of the Lord Jesus!

EMAIL 7

I agree with you. Some of my family are Catholics and they actually DO pray to Mary and believe in the bleeding statues and it grieves my heart so much that if they soon do not SEE THE TRUTH...that these are demonic endtime signs that they will be lost because the Lord is indeed coming soon to get HIS people and take us to be "where HE is." NOT to stay on this earth. SO...the Protestant churches are also indeed in big trouble...gold dust and false miracles are leading many looking for "signs" to fall away and be lost. Sad Sad situation. The Prophet Nostradamus was God's endtime messenger with the message of the end time...but Christians are simply putting him in the same mold with evildoers...and they lose the information that possibly would help them in the end times. My website is www.SundayMinistries.com if you wish to look at my information and you tube videos

EMAIL 8

There is a book titled The Twin Pincers of Catholicism and Masonry that shows they are the same. I had a copy and may still have it somewhere but you don't need a book when the religion of Masonry and Catholics are the same; both based on unfulfilled prophecy.

EMAIL 9

I agree. Orthodox Christians do not believe in these miracles. They are demonic. Some Coptic do, but not mainstream Orthodox.

Thank you I did watch it, I am a ex R.C.

I came out of that pagan religion in 1983 and spent besides studying Gods Word, also studying in depth the RC religion mainly to see what it is that draws so many to it, and when I realized it was evil spirits, and that religion has a woman at the head, I was terribly shocked and frightened for their followers, but not only them but for all the other religions, this terrible religion hasn't for one moment considered the Covenant that our Lord Jesus did for us with His New Testament (covenant) and even though the old Covenant still stands for the Jewish Nation, I am appalled at so called Christians that believe that we the church are now Israel and that God has finished with Israel, this is a terrible teaching that also came from this stinking religion, so all I can say to you lot, is keep up the good work and keep sending out the material as its time to try and draw millions back to the wonderful blood covenant that our wonderful Lord Jesus did for all the world if they would only turn and come back to Him.

All these people are only looking for the excitement of supposedly seeing a messenger from God but they are seeing a evil spirit, from the devil himself.

And I truly do feel so sorry for many of them as they are so mislead Don't you just love that psalm that says The Lord is MY SHEPHERD this makes it a personal relationship with the only true and living God through the bloodshed of Christ, not a religion, woooooooooooooooooopeeeeeeeeeee, I am now still rejoicing at my salvation looking forward to the great reunion

Hi There, I think we are definitely in the last days, Satan who is becoming more and more disturbed as his time draws near, is becoming more and more active, bringing about all kinds of frantic apparent sightings in order to distract Christians from the only one we should be looking for, JESUS, our LORD and SAVIOUR who is about to come for His Church. You would do well to stay focused and not become distracted by Satans work as the members of the Emerging Church of the Illuminati are doing.

EMAIL 13

If you only understood the real truth regarding The Sacred and Blessed Virgin Mother of The Christ your company would not publish this blasphemy and attempt to corrupt the Hearts and Souls of Loving True Christians.

Please remove me from your mailing list and I Pray YAHSHUA The Christ forgives you. If you sincerely want the Truth it shall be made manifest to you.

EMAIL 14

Thank you for all your extensive and detailed valuable reports. I haven't been able to purchase them but I do get a lot out of reading what you send in email. Though I don't agree with every religious implication of prophecy, I do appreciate the political and overall coverage.

NEW WORLD ORDER AWAKENING

EMAIL15

I am a Protestant Christian from a Catholic background, and I'd just like to say something about the Roman Catholic system. In my opinion it is not Christian. It does not fulfill the requirements. In fact, it is a giant worldwide cult. The pope is conscience for his followers, who are not allowed to exercise their own conscience and judgment, and the faithfulness and obedience that is demanded is not to Christ but to the pope and the dogmas of the church. The salvation that is offered is not available to those who do not practice the church's sacraments.

God/Christ is not the focus of worship but Mary, as you very well state as coredemptrix. Pope John Paul is said to have prayed to Mary. Saints also, each with their own areas of expertise, are prayed to. Is this anything other than idolatry?

Many gods, pagan gods baptized with Christian names, but still the object of so-called Christian worship. The focus of the church is obedience to the CHURCH, not to God, His commandments or His Word. For the church, the pope is god, the object of worship, the self-proclaimed vicar of Christ, above the laws of God which he has changed. Is this not the highest blasphemy? Is this not spiritual Babylon? Its practices come from paganism. And the world wonders after the "beast" and prophecy warns us not to follow the beast and receive its mark. Thank you for all your warnings and may God bless you in your work of enlightenment.

EMAIL 16

Christians, you know the Truth that have set you free from bondage of sin. Catholics are pagans. They are one of the daughters of Mystery Babylon. Babylon is Judaism and communism. Jews still hate Christians and murdered their Messiah Savior. GOD of the Heavens that send His Son to Die on Calvary's Tree and Resurrected For Ever More.

EMAIL 17

When we're looking behind the Catholic scenes, it is getting quite clear that worshipping Mary is idolatry and that Mary is the successor of Isis in the Babylonian religion. Steve Hunt already pointed out that the Catholic church is the Babylonian whore of these days, therefore don't worry about some Catholics who do not understand. I always liked your reports and they helped me a lot, but many people today are deceived. Blessings

EMAIL 18

Rema, Of course you know I am a knowledgeable and active and conservative Catholic who knows the message of Fatima very well.

Despite what everyone thinks we are in the age of seeing the consequence of Fatima, the third secret etc.....every horrible and worst case scenario will play out by the 2017 if the consecration of Russia is not done.

However you want to spin it....shit will be hitting the fan. For those with faith to make it through. Once the Consecration of Russia is done by the Holy Father and the Faithful Catholics, and Mary is proclaimed as (5th Marian Dogma....Coredemptrix,) then the world will be at peace, and flourish...I can hold out God Willing of course....can you?

EMAIL 19

Hi, I have investigated Fatima myself and I concur to the point that it's demonic in nature and the Catholic church is and has always been the whore on the seven hills with the blood of the saints on its hands, Evil will destroy the Vatican and kill the pope to allow only one last all-encompassing empire and one last leader to exist. The Antichrist will leave no stone turned, he knows what he needs to know and yet the elites yet still don't know who he is, it's Satan's choice

NEW WORLD ORDER AWAKENING

to choose which of his seed as to who he will be. The Dead Sea Scrolls fills in the gaps of understanding that even the bible lacks due to the churches of the past and present of influence as to how they see the truth.

The game of understanding is a puzzle, and those of God are guided to the truth. One investigator findings vary among others, but its clouded when wisdom and more knowledge is missing. Pity.

Mary is being worshiped which is against GOD and what is written, but then a corrupted church plays well when its seeded by evil. The Crimes of the Catholic Church is well known, and nothing will save it. Need I say more.

For further information on an assessment of Marian Apparitions please go to

Until now, you will have probably seen the apparitions of Mary as a bit of a side show but just think that right now Roman Catholicism dominates Latin and Central America (50% of the region are Catholic) much of Europe including the power houses such as Germany, France, Spain, Portugal and much of Central Europe and also parts of Africa and South East Asia. Furthermore the 5 countries with the largest populations of Catholics are Brazil, Mexico, Philippines the United States and Italy. Huge populations within their own right!
